

### 5.3.2 Constitution of student's council & representation of students on academic & administrative bodies/ committees of the institution (2022-2023)

The students of our department have active representation on the Department's and the University's academic and administrative committees.

#### Class Committee

M.Sc. Mathematics program possesses class committees for each course, made up of faculty members appointed by the Head of the Department, apart from the course teacher, and student representatives of both weak and deserving students. The class committees offer input on every aspect of the academic program and related courses. Normally at least two committee meetings are held in every year.

## Magazine Committee

The primary goal of a committee is to give students a forum to express themselves through a variety of writing genres, such as articles, commentary on current events, literary or creative works, and more. It also aims to promote freedom of speech and serve as a conduit for ideas and information to be shared. The magazine and news letter committees are made up of academic and student representatives. The Committee convenes on a regular basis to deliberate and choose which articles to publish. It will also commission articles from academics and other sources as needed.

## **Organization of Special Events**

Every year on September 5, the students plan and celebrate National Teachers Day. They pay acknowledgment to the active and retired faculty members and exhibit cultural events such as the Pongal Festival, AyudhaPooja, sporting events, Founder's Day celebrations on April 6, and other national holidays like Independence Day, Republic Day, Science Day, and numerous NSS and volunteer activities. The student council will organize the welcome and farewell events for each batch of students. The cultural and exhibition show called as ALUTES was supported annually, with the exception of the pandemic, by instructors and students.
